ADDENDUM ONE

HONONEGAH RAINBOW ARCH BRIDGE RENOVATION

Bid Opening: July 2, 2019

- The following items were discussed at the pre-bid meeting and are to be included in the plans and specifications:
 1. The repair for item 1, bridge deck patching does not have to be color matched. Contractor to use a rapid curing patch so that bridge will only be closed for one day. The one day closure does not include the time required to chip existing concrete as surface preparation.
 2. Contractor to power wash a small section of existing concrete and submit color matched patch samples to match washed concrete.
 3. Visible patches on bridge deck (2-17) to color match existing washed concrete but a non-corrosive additive to patch is not required. Patches to the underside of deck (21-31) are a new addition and are shown in the revised bid form. They do require a non-corrosive additive.

Bidders must acknowledge this Addendum One on the Bid Form or the bid will be rejected.

Any questions should be directed to Tom Hartley, Director of Land and Development, 5500 Northrock Drive, Rockford, Illinois 61103 or by telephone 815-877-6100 or email thartley@winnebagoforest.org
